In ICT, we will be learning how to how do computers store information?

Diary Dates

12th Feb - Disco

5th March - World Book Day

9th March – Magna trip

Homework

Reading

It is very important to read with your child. This should include listening to your child read daily and talking to them about their book and reading stories to you child. Each week, your child will bring home an Accelerated Reader book that you can share just for fun! Please record your child's reading in their reading log so that they can earn raffle tickets! Aim for at least 4 times per week.

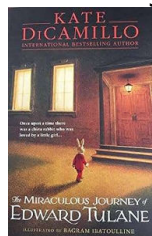

Homework Books

Your child will bring home 2 pieces of homework every Friday. That should be returned the following Thursday.

Thank you for your support in this

English

We will be working towards writing our own story and letters based on Edward Tulane and continuing to develop our handwriting.

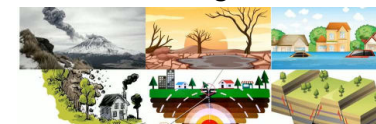

History

We will explore the big question: What did Ancient Greeks bring to the world?

Geography

Why does Earth's surface change?

We will explore aspects of physical geography, including: volcanoes and earthquakes.

Art

We will be completing our Art exploring the big question How can I use the features of realism to create a landscapes?

Spanish

In Spanish we will be learning about different fruits and vegetables.

We also now have log ins to Language Angels where the children can access additional Language games and learning at home!

PSHE/RE

In PSHE we will be learning Why do we need to be responsible with money?

In RE we will be learning How important is it for Jewish people to do what God asks them to do?

Times Table Rockstars

- Each week we will set Times Tables Rockstars sessions for the children to complete. This is 20 minutes on Garage a week. There will also be tournaments between the classes which will allow the children to earn extra play.
- We will also send home booklets on the times tables we have focused on that week to be completed alongside English
