

Year 3/4 Newsletter – Autumn 1

Maths

We will:

- Understand place value of 4 digit numbers.
- Addition and subtraction of 4 digit numbers
- Times Tables- 2x, 10x, 5x, 3x, 4x

Science

We will:

- Understand which common appliances run on electricity.
- Understand and create electrical circuits using bulbs, switches and buzzers.
- Recognise common conductors and insulates and their properties.

Physical Education

We will be learning a range of skills to help us in outdoor adventurous activities such as team work and problem solving
P.E will be on a Monday (Johnson) Friday (Earhart)
Weather permitting, PE will be outside. Please ensure your child has an outdoor PE kit – white t-shirt, tracksuit bottoms, sweatshirt and trainers.

Music/ICT

In Music we will be learning to play the trumpet with Mr. Tamm!

In ICT, we will be learning how to debug a code and use an algorithm.

Diary Dates

Johnson class visit to Merton Park 9th September
Earhart class visit to Merton Park 10th September
Paul Cookson in school 7th and 8th September

Homework

Reading

It is very important to read with your child. This should include listening to your child read daily and talking to them about their book and reading stories to you child. Each week, your child will bring home an Accelerated Reader book that you can share just for fun!

Please record your child's reading in their reading log so that they can earn raffle tickets! Aim for at least 4 times per week.

Homework Books

Your child will bring home 2 pieces of homework every Friday. That should be returned the following Thursday.

Thank you for your support in this

English

We will be working towards writing our own story based on 'Arthur and the Golden Rope'.

History

We will explore the big question, how did Britain change during the Roman Occupation?

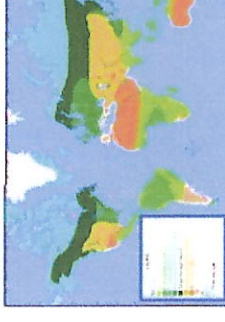

Art

We will be exploring the big question How can I use the features of realism to create a drawing?

Geography

We will be learning about what biomes are and why they are important.

Spanish

In Spanish we will be learning about different instruments. We also now have log ins to Language Angels where the children can access additional Language games and learning at home!

PSHE/RE

In PSHE we will be learning how we can make a positive difference in our school

In RE we will be learning how the relationship between God and Jewish people portrayed within their faith?

Times Table Rockstars

- Each week we will set Times Tables Rockstars sessions for the children to complete. This is 20 minutes on Garage a week. There will also be tournaments between the classes which will allow the children to earn extra play.
- We will also send home booklets on the times tables we have focused on that week to be completed alongside English homework.
